

Attention Bail Bondsmen:

House Enrolled Act No. 1600, enacted by the General Assembly of the State of Indiana in 2005, now requires the Clerk of the Marion Superior Court to collect an additional fee from all defendants posting a bond in Marion County. This fee will be placed in a special death benefit fund for public safety officers.

Beginning **Monday, May 23, 2005**, all bonds posted in Marion County will have a five dollar (\$5) fee added to the amount of each bond.

This \$5 fee will need to be paid at the same time a bond is posted. **Only cash in the exact amount will be accepted.**

Please feel free to contact my office with any questions. Thank you.
